Children's Museum of Discovery Highlights Mexican Traditions with Día del Niño Event

ESCONDIDO, CA – Children's Museum of Discovery is delighted to celebrate Día del Niño and honor the rich history and traditions of San Diego's Mexican community as part of the Museum's "Stories of Us" event series on Saturday, April 25, from 10:00 a.m. to 12:00 p.m.

Throughout the event, families will enjoy a bilingual storytime with Escondido Public Library, a special treat from Vallarta Supermarkets, fun carnival games and prizes, creating a traditional piñata, and more, while learning about Mexico's annual holiday.

Día del Niño specifically celebrates and honors children, recognizing their importance in communities. In addition to treats and special activities, the holiday is also dedicated to promoting happiness and supporting children's rights. The Museum remains committed to providing early educational resources so all children have the opportunity to learn regardless of financial barriers. Through cultural events, like Día del Niño, the Museum provides a space for families to learn about the world around them and support children across San Diego County.

"Through our Stories of Us: Día del Niño event, we hope every family who walks through our doors feels seen, celebrated, and leaves with a deeper appreciation for the cultural traditions of their neighbors. We are so excited to bring this experience to our community," said Christina Piranio, CEO of Children's Museum of Discovery.

This event is free with paid admission. To learn more about this event, visit visitcmod.org/DiaDelNino

About Children's Museum of Discovery

The Children's Museum of Discovery's mission is to spark a love of learning so all children can discover their wildest dreams. Its vision is to be the leader in inventive early childhood education. The Museum's hands-on educational exhibits and programs focus on science, technology, reading, engineering, art, and math (STREAM) for children up to age 10. The Museum is affiliated with the Association of Children's Museums and the San Diego Museum Council. To learn more about the Museum, visit visitcmo.org
